FirstOntario Credit Union opens brand new, full service location in Cayuga community

New branch experience awaits just down the road on Talbot Street

Cayuga ON, November 26, 2018– The people of Cayuga don't have to venture far to enjoy the new great space that was designed specifically with the FirstOntario Credit Union Member in mind.

The new branch, located at 39 Talbot Street (literally down the road from the old branch) opens its doors today. The full-service branch comes equipped with several unique spaces to accommodate Members, an inviting waiting area, automated teller machine and additional services including a night deposit box for business owners.

FirstOntario is more than a financial institution and has been part of the Cayuga community for decades. Our new location was carefully selected and is an expression of our ongoing commitment to the community. The larger branch size positions FirstOntario to provide our growing Membership with ongoing product and service enhancements.

Coming soon, it will also be home to a *Personal Assisted Teller* (PAT) machine – exclusive to FirstOntario – where Members will have the ability to talk to a Member Service Representative through live video technology. Through PAT, Members will have access to the same branch services but with the bonus of extended business hours. This service is expected to be available in the next few months.

Membership at FirstOntario Credit Union is open to everyone. We look forward to serving the Cayuga community in a setting that is friendly, comfortable and easily accessible. Grand opening activities are being planned for early 2019 – we'll share details as they are confirmed.
